

NO TO TESCO ON MILL ROAD

Tesco is planning to open a store on Mill Rd on the site of the old Wilco store. Tesco has lodged three planning applications with the City Council, but as the store is already used for retail, Tesco won't need permission for a change of use – and it looks like there isn't much the City Council can do to stop it.

However, Tesco have been known to back down to public pressure.

Please do sign the petition below to show that local residents don't want a Tesco on Mill Rd.

I am opposed to a Tesco store opening on Mill Road, and am concerned about the impact a Tesco store could have on the diverse range of independent shops on Mill Road.
